

What is Friends of Studio `91?

Friends of Studio `91 offers fundraising opportunities to dance families to offset individual expenses, as well as provide additional opportunities for all dancers.

How does this benefit my dancer?

90% of the profit will be posted to your individual dancer's Studio `91 online account to be used toward your next open invoice. Your next open invoice on your account may include costumes, tuition, ADSI, pirouettes purchases, summer classes, Twas registration, class registrations, your dancer's Disney trip fees (when applicable).

******WOW!!! This adds up to GREAT savings for YOU!**

The other 10% of profit goes directly to Friends of Studio `91! This money is used to benefit all dancers but not limited to: Farmer's Fair Float decorations, ADSI (snacks, finale treat, and instructor lunches), senior dancer recognition/banquet, and master classes (when applicable). To keep up-to-date with your dancer's fundraising credits, check your dancer's online account. *Go to www.studio91.com
